FRONT VIEW
Scale 1:5; looking at the front (along +Y)

RIGHT VIEW
Scale 1:5; looking at the right side (along -X)

WHERE IT GOES
This part in colour, its neighbours in grey

HOW TO MAKE IT AND HOW IT FITS

Cut 300 x 200; four 9 dia holes 20 in from each corner to the deck
Tap M5 holes for the two lower flexure clamps (centres 50 and 250 from the door-end edge), the anchor block and the speed post
Face the top flat; the clamps and anchor sit on it
Check: flat within 0.1 mm across the clamp positions
